

Dear Parents/carers,

This week we were delighted to share with school governors and staff the good news below:

- Latest predictions show TFA year 11 and 13 students are set to achieve **even better results** than students last summer
- Attendance figures keep TFA in the **top 10% of schools** nationally
- Yr 13 (see below) have now received **252 offers from university** – for 63 students in total, that is an average of **4 offers per student**

This is only possible thanks to the hard work of students, expertise and dedication of staff, and the wider support of families working closely in partnership with the school. Good luck to all our students sitting exams at the moment!

Well done also to **Mukund P** (9E— below, right), who has won the **Redbridge Geography essay competition**, a fantastic achievement that reflects his dedication and hard work. He has been preparing his essay since December, showcasing the academic strength of our students, particularly in Humanities. He has been invited to an award ceremony to recognise his achievements.

Additionally, several students who participated in the competition demonstrated remarkable commitment, spending over three months researching and refining their essays: Sara and Zoyah (both 9E), Carla (9T), Amreen (8F), and Hatice (Year 10).

Key updates:

- Year 7, 8 and 9 students are busy revising for their end of year assessments
- TFA Summer Fair update: the student and staff forums are very busy organising this special event, taking place on Saturday 28th June 2025 from 11am-3pm. It would be fantastic to have parents and carers involved, so if you would like to run a stall please get in touch. We hope to see you all on the day in this important fundraiser for Redbridge Foodbank– see flyer (bottom right). Please spread the word!
- In order to support our careers' provision, please do get in touch if you have any contacts who might be interested in coming in to school
- See overleaf for details of a Redbridge Mental Health Team parents and carers' webinar flyer

As a reminder: we break up for half-term next Friday at 3pm, with school re-opening on Monday 2nd June at 8.30am.
